

DIY CUPBOARD UNITS

easy-to-install & affordable

DIY UNIT RANGE

We're proud to offer a range of easy-to-install, affordable kitchen, bedroom, and general storage solutions designed to simplify your project from start to finish.

No more struggling with drilling panels or searching for the right screws. Our DIY and pre-assembled cupboard units are crafted for convenience, giving you more time to focus on what matters most. Available in a wide variety of shapes, styles, and finishes, our units are designed to suit any space and aesthetic.

At Build It, we're more than just a supplier of quality hardware and tools – we're your project partner. Our in-store team of experienced professionals is always on hand to guide you every step of the way.

An insta-cupboard saves you hours!

We do the cutting, drilling, and edging all before delivery of your pre-assembled cupboard. Save time and effort with our range of pre-assembled cupboard units, available in practical, ready-to-install options:

Floor Units

Free-standing storage units which include drawers, grocery and floor corner cupboards

Wall Units

Affixed to surfaces, the choices comprise of multi-level shelving, corner units and wall-end display
